We Serve

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing and accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticisms and liberal with my praise; to build up and not destroy.

District 14-A
DISTRICT GOVERNOR

Larry A. Frankenfield
DISTRICT GOVERNOR
2023-2024

Serving as your District Governor a second time is an honor most Lions don't have the opportunity to achieve. I would like to thank the Lions of District 14-A for putting your trust in me as governor again.

We have some big challenges ahead of us this year. Membership and club retention are key to our future. We all have that special story of why we became a Lion. Share that story with anyone willing to listen. Several of our clubs have seen large declines in membership, and some have folded. This is a trend we have to reverse.

Think outside the box to invite people to attend a meeting, or ask them to help on a service project. **JUST ASK.** When you hear of a club needing help, ask what you can do to assist. Most importantly contact me or any other cabinet member.

2023-2024 DISTRICT GOVERNOR
(Continued)

Always be on the lookout for the chance to start a specialty club. There could be a group of people with the same interests that could start their own club.

June of this year the International Convention was held in Boston, Massachusetts. PA, along with our district was well represented. Dr. Patti Hill was elected as our International President. Her theme is:

CHANGING THE WORLD

Making the world a better place for all people.

This year as a District Project I will be looking for your help on 2 items. For many years the Springfield Lions have been sponsoring a bus to taking campers to Beacon Lodge. They are no longer able to fund the project themselves. Second the playground in the children's village at Beacon Lodge must be replaced. To make it ADA Compliant the cost will be about \$500,000. I am asking all clubs to donate a minimum of \$100.00 to the project. Should your club be able to send more that would be great. Send your donations to the District Treasurer Joseph Warner and note this is for the district project. At the end of the year donations will be split 50/50 for each project.

WE SERVE BY CHANGING THE WORLD.

Yours in Lionism,

DG Larry A. Frankenfield

LIONS DISTRICT 14-A Charitable Foundation

Our Mission:

The District 14-A Charitable Foundation is dedicated to improving the Quality of Life of the visual, hearing and physically impaired in the Bucks, Montgomery, Delaware and Philadelphia Counties, and primarily provides for these needs in cases beyond the capability of the local Lions Club or where there is not a club in the area. In addition, the Foundation manages larger scale projects in the District such as Special Olympics, vision screenings and health fairs.

Notes/Updates

Invocations & Benedictions

On the inside front cover of this booklet we have published the "**Lions Code of Ethics**". On that page we address ourselves to a sense of "moral responsibility". In today's society we often see a lack of moral responsibility, but we believe that spiritual awareness can be an essential aid towards establishing that discipline within our lives. Whatever your individual faith or beliefs, we submit the following non-sectarian Invocations and Benedictions that may be used at your club meetings.

INVOCATION / GRACES

Lord God, we thank you for the opportunities we have to serve you and our neighbor this day. Bless all that has been done that is right and good. Forgive anything that is less than what you would have us do or say or be. We ask you to bless and keep all our Lions who serve us in our community. Now as we break bread, bless the food and those who have prepared it, so that we may continue to find meaning in thy service. AMEN.

– OR –

Thank the Lord for all his goodness. Bless us as "We Serve". Render to us the joy of our fellowship, and may this food sustain us in our works. AMEN.

BENEDICTIONS

We give thanks to you, heavenly Father, that you have this day so graciously protected us. We beg you to forgive us all our sins and the wrong which we have done. By your great mercy defend us from all the perils and dangers of this night. Into your hands we commend our bodies and souls, and all that is ours. Let your heavenly angels have charge over us and give us peace. AMEN.

– OR –

Gracious Lord, we give you thanks for the day, especially for the good we were permitted to give and to receive. The day is not past and we commit it to you. We entrust you the night; we rest in surety; for you are our help, and you neither slumber nor sleep. AMEN.

Lions Meeting Protocol

In our Association, we subscribe to "protocol" to demonstrate that we are organized and that we have respect for the fundamental concepts of a discipline which we have imposed upon ourselves voluntarily. The following are guidelines to be used for conducting a formal Lions meeting in that respect.

THE AMERICAN FLAG & CLUB BANNER

(To be displayed at all meetings)

- U.S. Flag displayed to President's right.
- Banner displayed to President's left, or behind podium.

LIONS MEETING PROTOCOL
